

Dear Friend,

The 26th Annual Wildlife Art Festival is almost here! Held from November 21–23, it is the major fundraising event for the San Bernardino County Museum Association, as well as our chance to celebrate fine arts and the conservation of our environment. All proceeds from this event help support the museum's public learning programs and operations, and we need your support!

We would like to invite you to join us, as one of our treasured volunteers for the festival. Volunteers provide valuable and crucial services helping artists, museum staff, and the Museum Association. Our quality of service improves every year and your help is needed to ensure the festival's continuing success.

When you volunteer for a four-hour shift, you will receive a Wildlife Art Festival T-shirt with this year's featured print by artist Leslie Kirchner. In addition, all volunteers working eight hours or more will also receive two complimentary admission tickets to the museum and a raffle ticket entry.

We will be hosting a Volunteer Orientation for all Festival volunteers on Wednesday, November 12, at 6pm. Volunteer are invited for an exclusive after hours tour, refreshments, and prizes will be provided so please plan to join us.

Please return your form by Monday October 20th, and include your day and evening phone numbers as well as an email address (if available).

**To volunteer right now, please call:
